

IN THE SPECIFICATION

Please amend the specification as follows:

Replace the paragraph spanning pages 4-5, between page 4, line 33, and page 5, line 3 of the specification with the following:

In the preferred embodiment, the web site (10) comprises means (12) for retrieving some of the above-cited disc properties (23) from the DVD video disc (22) inserted in the player (20). It also comprises means (12) for authenticating said DVD video disc (22) by comparing said properties (23) with the ones of a corresponding DVD video disc legally produced by a provider, before sending the additional data (11) to the player (20).
